The Audi Q5 and SQ5

Pricing and Specification Guide

Valid from April 2015

Personalising your Audi Q5

This guide has been designed to help you tailor and price your Audi Q5 quickly and logically. At the back, you will find information on CO_2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi Q5 online at audi.co.uk

Get more from this brochure with the free Audi Vision app.

Audi Vision brings our brochures to life through Augmented Reality. It works by recognising images on a page through your device's camera. Suitable for phones or tablets, download it for free from the App Store or Google Play. Once downloaded, simply open the app and scan the cover of your guide. Then look out for any page with the Audi Vision logo, you can then hold your device over the page and watch as you get exclusive access to extra images, information and video content.

IN Q 5105

Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

The streamlined Audi Q5

The Audi Q5 isn't a typical SUV; it combines the poise and athleticism of a coupé with the practicality and space of a much larger car. It also offers the exceptional grip of quattro® all-wheel-drive, 18-inch alloy wheels and some other advanced features you might not expect. There's a choice of direct-injection TDI® and TFSI® engines, a five-link front suspension and optional S tronic® or tiptronic® transmission – ensuring that the Audi Q5 delivers all the handling and performance its coupé-like shape suggests.

IN Q 5105

Q5 interior story

We've introduced a number of finishing touches to the Audi Q5 interior to make your driving experience both comfortable and unique. You'll find an impressive attention to detail in everything from the luxurious leather seating to our optional customised stitching, which means that every journey you make will be a personal one.

Engines

Petrol

TFSI® direct-injection technology is a unique Audi innovation that includes supercharging, which combines FSI® technology with forced induction – giving cars an extra injection of power and torque. It also delivers enhanced fuel efficiency as precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to 'breathe' more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions.

Diesel

We introduced TDI® to the roads in 1989, and since then, we've continuously refined it, including developing common-rail technology. With this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which lowers emissions. The recently introduced bi-turbo diesel engine in the SQ5 is our most powerful six-cylinder diesel engine to date, capable of 313PS and an impressive combined mpg of 41.5.

Images are for illustrative purposes only

Transmissions

S tronic®

Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power.

tiptronic®

The 8-speed tiptronic transmission system reduces both fuel consumption and CO_2 emissions. It converts high-torque engine power into sporty performance and operating convenience, with crisp, fast gear changes and an optimised gear-shift strategy. More spontaneous gear changes are a particular benefit, especially when downshifting. Both in the 'D' (Drive) and 'S' (Sport) programme, the advanced electronics used in tiptronic® respond efficiently to every driver input.

Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO_2 and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi Q5.

Recuperation

When a vehicle brakes, the discs convert the kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system like the one in the Audi Q5, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in a fuel saving of up to 3%.

Images are for illustrative purposes only

Aerodynamics

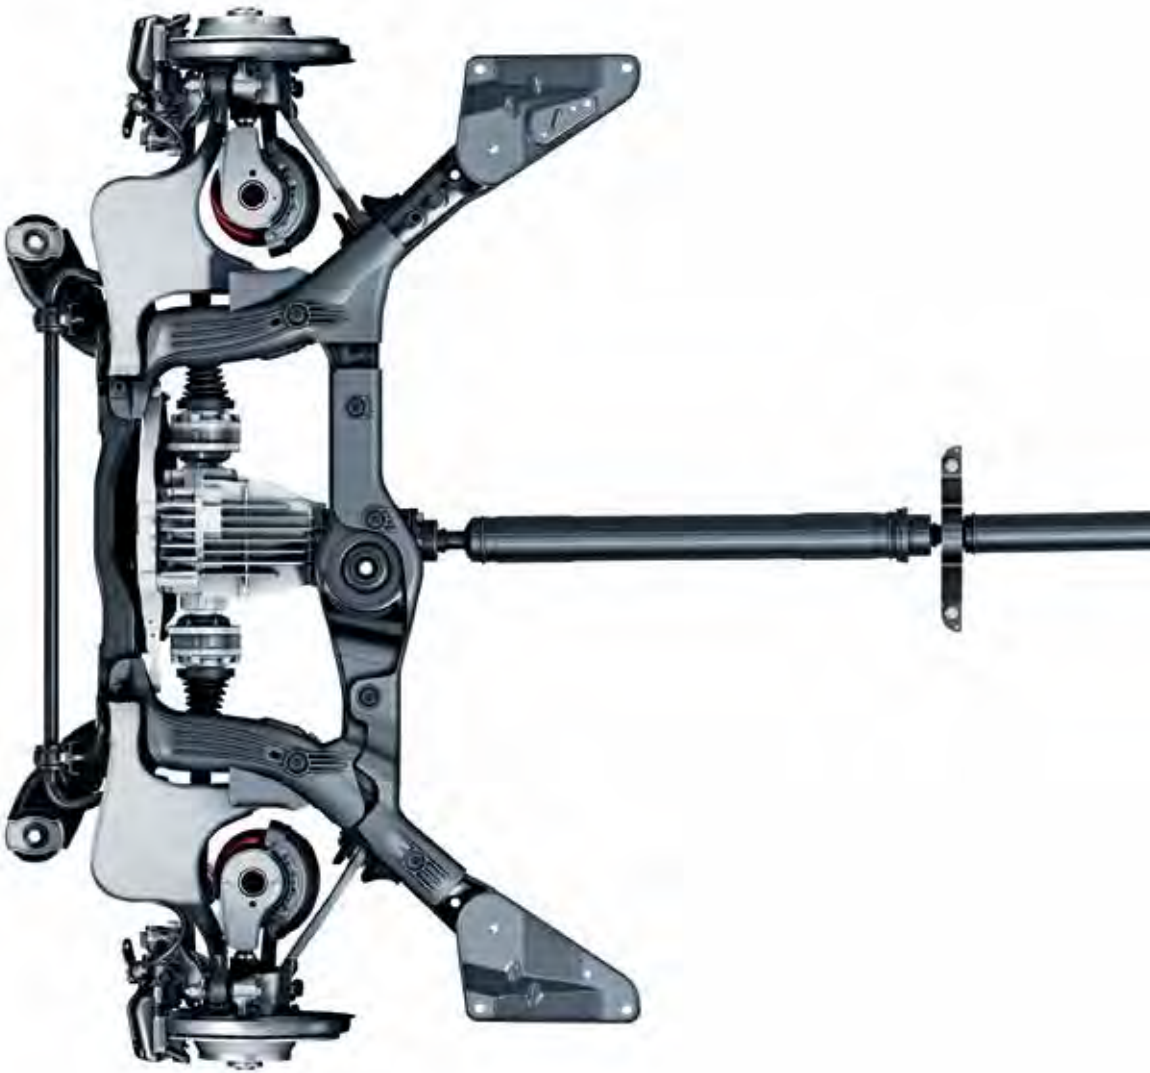
A car's shape can have a big impact on its efficiency. It's why we've worked to make the Audi Q5 as aerodynamic as possible.

Automatic Start-Stop function

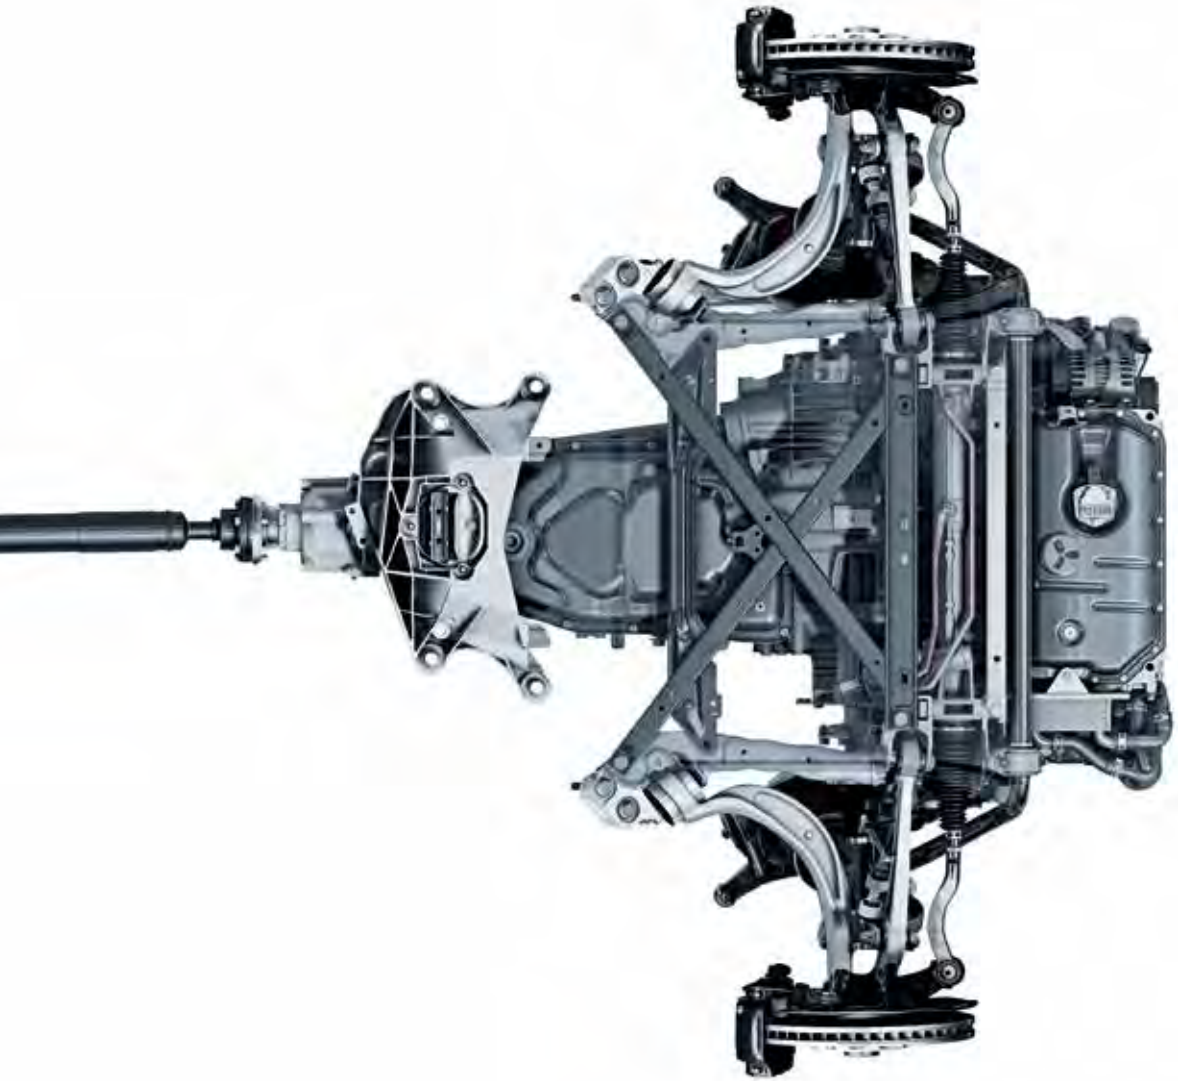
In heavy traffic, your car still uses fuel and releases CO_2, even when it's stationary. The automatic Start-Stop function counteracts this problem by switching off the engine when your car comes to a standstill. As soon as you touch the clutch, the car restarts. In conjunction with TDI® and TFSI® engines, it helps save up to 0.4 litres of fuel every 100km.

quattro®

It’s the technology that gave us the edge on the rally circuit ever since it was first introduced over 30 years ago, bringing victory for the Audi quattro on its very first outing. It’s called quattro® permanent all-wheel-drive. In this system, four permanently driven wheels deliver better acceleration, road-holding and safety, while asymmetric dynamic torque distribution intelligently controls the flow of power to the front and rear axles.



Images are for illustrative purposes only



It means that the Audi Q5 can ‘read’ the road, sensing changes in the surface beneath the wheels and adjusting their grip accordingly. So when conditions get a little more demanding – in particular, when you go off-road – quattro® adapts, putting all the force of the Audi Q5’s engine precisely where it’s needed to handle the change in terrain.

SE model equipment

All Audi Q5 models have the following items of standard equipment

Engine

Automatic Start-Stop function for greater fuel and CO_2 efficiency

Recuperation for optimal energy utilisation

Misfuelling inhibition for diesel models

Wheels, tyres and suspension

18” x 8J ‘5-arm-star’ design alloy wheels with 235/60 R18 low rolling resistance tyres and locking wheel bolts

Electromechanical power steering

Tyre repair kit

Audio and communication

Audi Concert radio which includes:

- Single CD drive and SDHC memory card reader which are MP3, WMA and AAC compatible
- 6.5” colour centre display with MMI operating logic
- AUX-IN connection
- TP memo – automatically saves traffic news when driving

Audi sound system – 10 high-performance loudspeakers (180 Watts) and 6-channel amplifier

DAB digital radio reception – integrated into MMI, receives digitally-transmitted radio stations in addition to the range of analogue stations. Displays music track, artist and radio program. Capable of ‘DAB slideshow’ where transmitted. Reception dependent on local digital network. Automatic switch from DAB to FM reception if the network signal is not strong enough

Mobile phone preparation – Bluetooth interface

Interior equipment

4-spoke multi-function leather steering wheel (with gear-shift paddles for automatic models)

Aluminium Satellite inlays

Cruise control – maintains any speed above 18mph, provided the engine power output and engine braking effect permit it; operated via separate steering column stalk. The set speed is displayed in the Driver’s Information System

Deluxe 3-zone climate control with separate air distribution and digital display for the driver and front passenger. System includes air-conditioning controls in rear centre console for passenger compartment

Colour Driver’s Information System – with energy-saving tips and rest recommendations. Shows the radio station or track title, telephone control, menu and other display information from the infotainment system such as navigation (if fitted). Also includes an on-board trip computer with short and long-term memory, outside temperature display, digital speedometer and door or boot open warning

Front and rear electric windows

Front and rear floor mats

Front centre armrest including 12-Volt socket

18” x 8J ‘5-arm-star’ design alloy wheels

4-spoke multi-function leather steering wheel

Deluxe 3-zone climate control

Safety and security

Auto-dimming rear-view mirror including acoustic windscreen

Anti-theft device – Thatcham Category 1 approved

Rest recommendation system – analyses driving behaviour based on steering, pedal and gear lever movements. If the system detects a change in driving patterns it can, via audio and visual effects, notify the driver of the possible need to take a rest

Light and rain sensor – automatically switches the dipped beam headlights and windscreen wipers on/off depending on the light and rain conditions. Also includes coming home/leaving home function which delays the deactivation of the front and rear lights after locking and automatic activation of the lights when unlocking

Electromechanical parking brake includes parking brake function when stationary, drive-off assistance function through automatic release when driving away and emergency braking function whilst driving, acting on all 4 wheels

Tyre pressure loss indicator – visual and acoustic warning if the pressure drops in one or more tyres

First-aid kit

Front and rear fog lights

ISOFIX child seat mounting – for front passenger (with airbag deactivation) and outer rear seats. Including Top Tether attachment point for the outer rear seats

Halogen headlights with daytime-running lights

Hill descent assist (please see page 80 for further information) with off-road Electronic Stability Programme (ESP)

Front side airbags

Rear parking sensors – facilitates parking by acoustically indicating the distance to obstacles; measurement is by ultrasonic sensors integrated discreetly into the bumper

Tool kit and car jack

Warning triangle

Seats

3-point seat belt with belt-force limiters for all 5 seats

Milano leather upholstery

Split-folding rear seat

Exterior equipment

Aluminium roof rails with roof bar detection (automatically adjusts the ESP to react to the higher centre of gravity when roof bars are in place)

Aluminium window trims framing the exterior side windows

Chrome-trimmed, flat-bottom design exhaust pipe – 2.0 TDI engines have single exhaust pipe on left-hand side, 2.0 TFSI, 3.0 TFSI and 3.0 TDI have one exhaust pipe on either side

Door mirrors – electrically adjustable and heated

Double-glazed windscreen and front side windows (only on 6-cylinder models)

Full body-coloured bumpers

Highly polished black grille with vertical chrome struts

Provision for towing equipment

Rear spoiler

Roof bars and storage bag

Chrome door handles and chrome tailgate strip

Aluminium roof rails

Door mirrors – electrically adjustable and heated

Halogen headlights with daytime-running lights

S line model equipment

In addition to SE model equipment

Total RRP inc VAT
£2,400.00

Wheels, tyres and suspension

19” x 8J ‘5-spoke’ design alloy wheels with 235/55 R19 tyres and locking wheel bolts

Standard suspension (S line Sports suspension available as a no-charge option)

Seats

Front Sports seats in Fine Nappa leather with electric lumbar support (S line embossed)

Interior equipment

Black headlining

Matt-brushed aluminium inlays

S line 3-spoke leather multi-function steering wheel (with gear-shift paddles for automatic models)

S line sill plates and aluminium loading strip for the boot

Exterior equipment

Diffuser in Platinum grey

Rear LED lights

S line exterior styling package including:

- S line badges on front wings
- S line front bumper
- S line rear diffuser
- S line side skirts
- S line grille with chrome vertical bars

Xenon headlights with automatic headlight-range adjustment, headlight washers and LED daytime-running lights

19” x 8J ‘5-spoke’ design alloy wheels

Xenon headlights

Matt-brushed aluminium inlays

Rear LED lights

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Image shows the Q5 S line model with optional Floret silver, metallic paint (L5) and Technology package (WB7)

S line Plus model equipment

In addition to S line model equipment

Total RRP inc VAT
£2,500.00

Wheels, tyres and suspension

20” x 8.5J ‘5-segment-spoke’ design alloy wheels with 255/45 R20 tyres

Audio and communication

Audi Music Interface – Universal connection for use with stereo audio sources and Apple iPod generation 4 onwards. Provides storage and charging

Interior equipment

MMI Navigation system plus. Hard disk navigation with topographical map display, places of interest and town models in 3D, with high-resolution 7” colour TFT display. The system offers three alternative routes, with the ability to scroll along the selected route and manoeuvre within the map. Uses 7-digit postcode recognition. Includes split-screen mode for route information, dynamic route guidance (TMC), intersection zoom function, motorway exits and lane recommendations in Driver’s Information System (DIS). Includes 2 SD card readers, single CD/DVD player, 40GB hard drive and Jukebox (20GB) for storing and managing music files in WMA and MP3 format. Includes European navigation data (where digitised). Additional functionality is available when combined with optional Mobile telephone preparation – High with Audi Connect (9ZW). For more details please see option 9ZW, featured in the options section of the guide

Exterior equipment

Audi parking system plus – Acoustic and visual park-assist system for the front and rear with MMI screen display; measurement is by ultrasonic sensors concealed in the bumpers

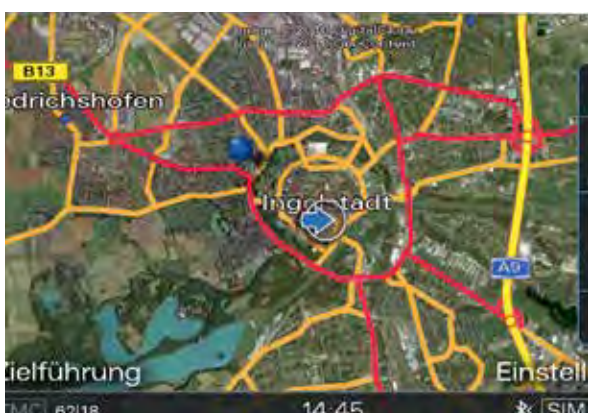
Electric tailgate

Metallic paint

Privacy glass

20” x 8.5J ‘5-segment-spoke’ design alloy wheels

Audi Music Interface



MMI Navigation system plus

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Image shows the Q5 S line Plus model with optional 20” ‘10-Y-spoke’ design alloy wheels (PQ1)

SQ5 model equipment

In addition to SE model equipment

Wheels, tyres and suspension

20” x 8.5J ‘5-parallel-spoke’ design alloy wheels with 255/45 R20 tyres. Includes small wheel arch extensions

‘S’ Sports suspension (30mm lower than SE suspension)

Interior equipment

LED interior light package

3-spoke ‘S’ Sports multi-function leather steering wheel with paddle shift and contrast stitching

Matt-brushed aluminium inlays

‘S’ instrument dials

Aluminium scuff plates with SQ5 logo

Seats

Electrically-adjustable front seats with SQ5 embossing. Includes adjustment for height, forwards and backwards position, backrest angle and lumbar support

Fine Nappa leather upholstery

Leather door armrests

Exterior equipment

Xenon headlights with automatic headlight-range adjustment, headlight washers and LED daytime-running lights

Rear LED lights

Aluminium-effect door mirror housings

‘S’ radiator grille with SQ5 logo finished in platinum grey

Front black painted brake calipers with ‘S’ logo

‘S’ body styling

Exhaust pipes – two oval tailpipes on left and right-hand side in chrome rolled finish

Active Sound exhaust system

Chrome door handles*

SQ5 grille with horizontal double chrome struts

20” x 8.5J ‘5-parallel-spoke’ design alloy wheels

Dual oval tailpipes

***Please note:** SQ5 models do not feature the chrome tailgate strip.

Image shows the SQ5 model with optional Sepang blue, pearl effect paint (E9) and 21" '5-twin-spoke Star' design alloy wheels in titanium look with a high-gloss finish (PQ8)

Audi exclusive

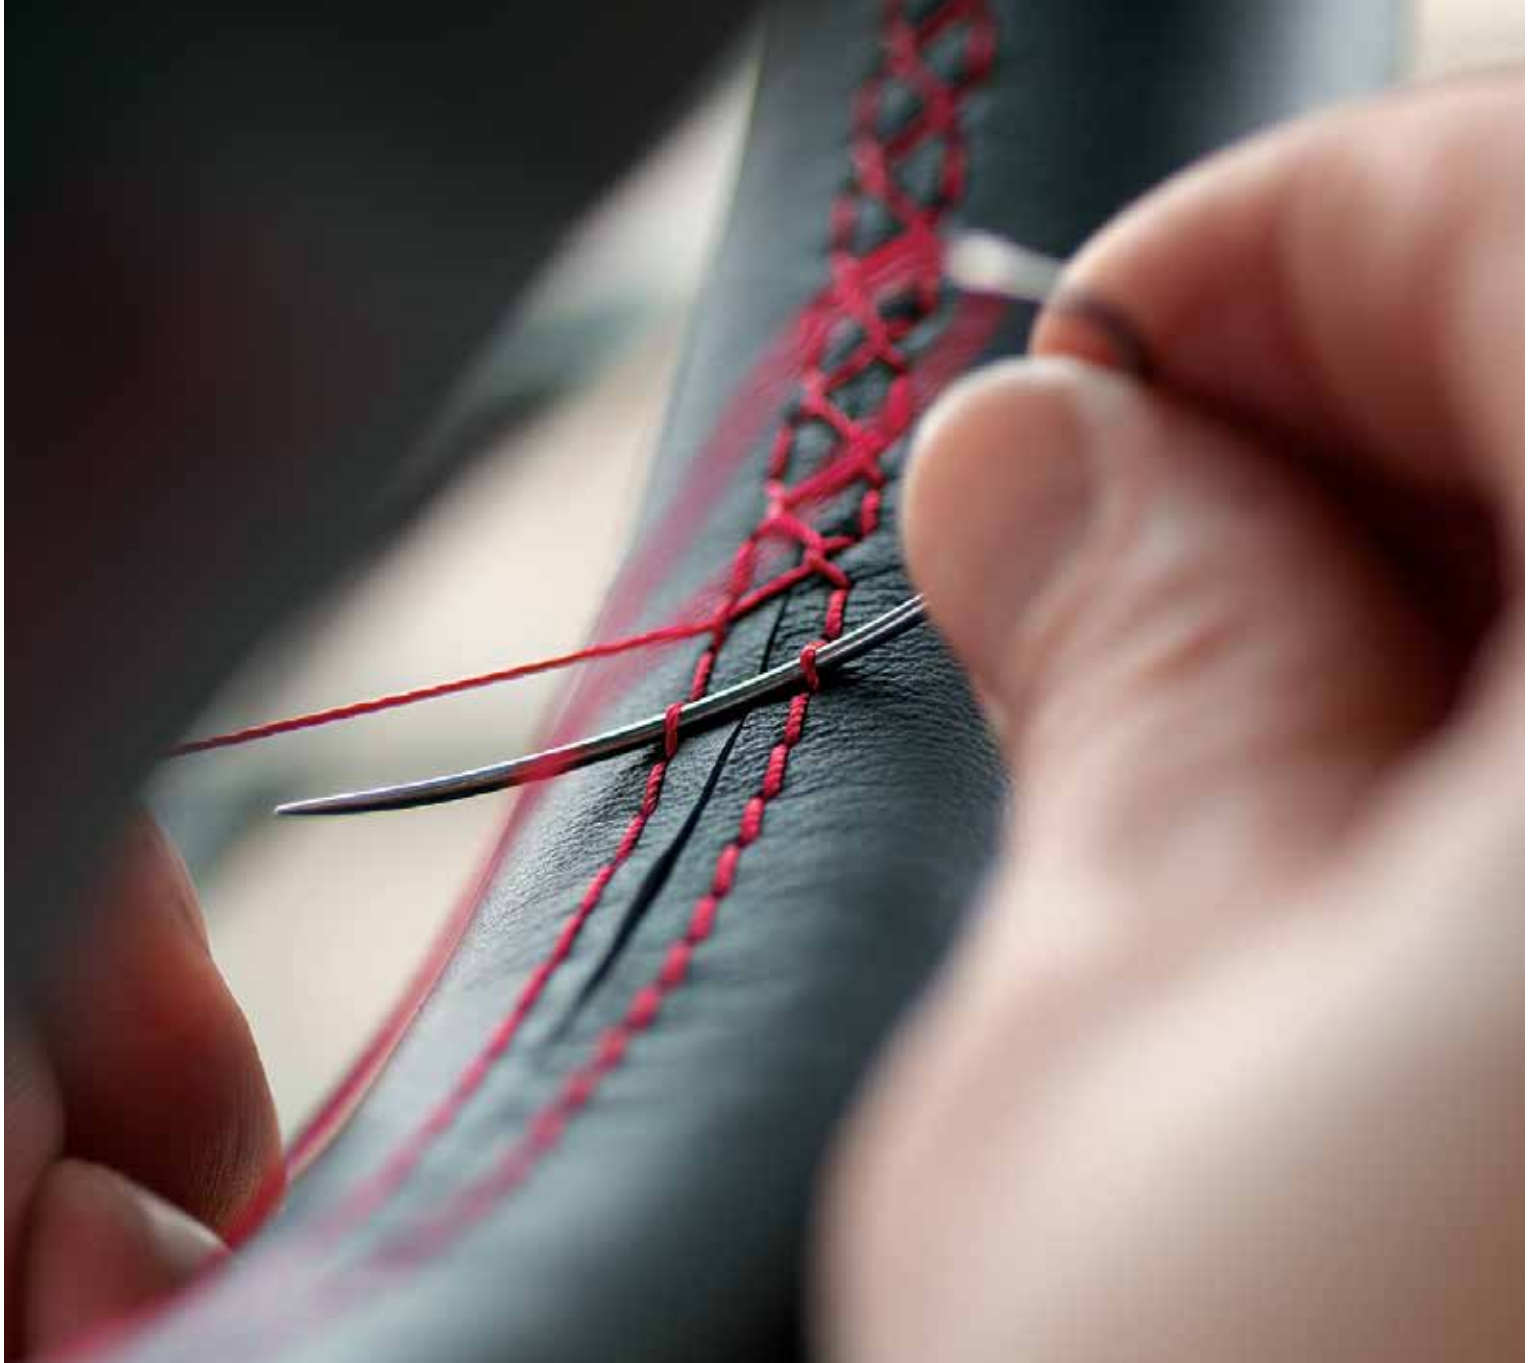
Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch, you can specify your Audi Q5 with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

Audi exclusive line

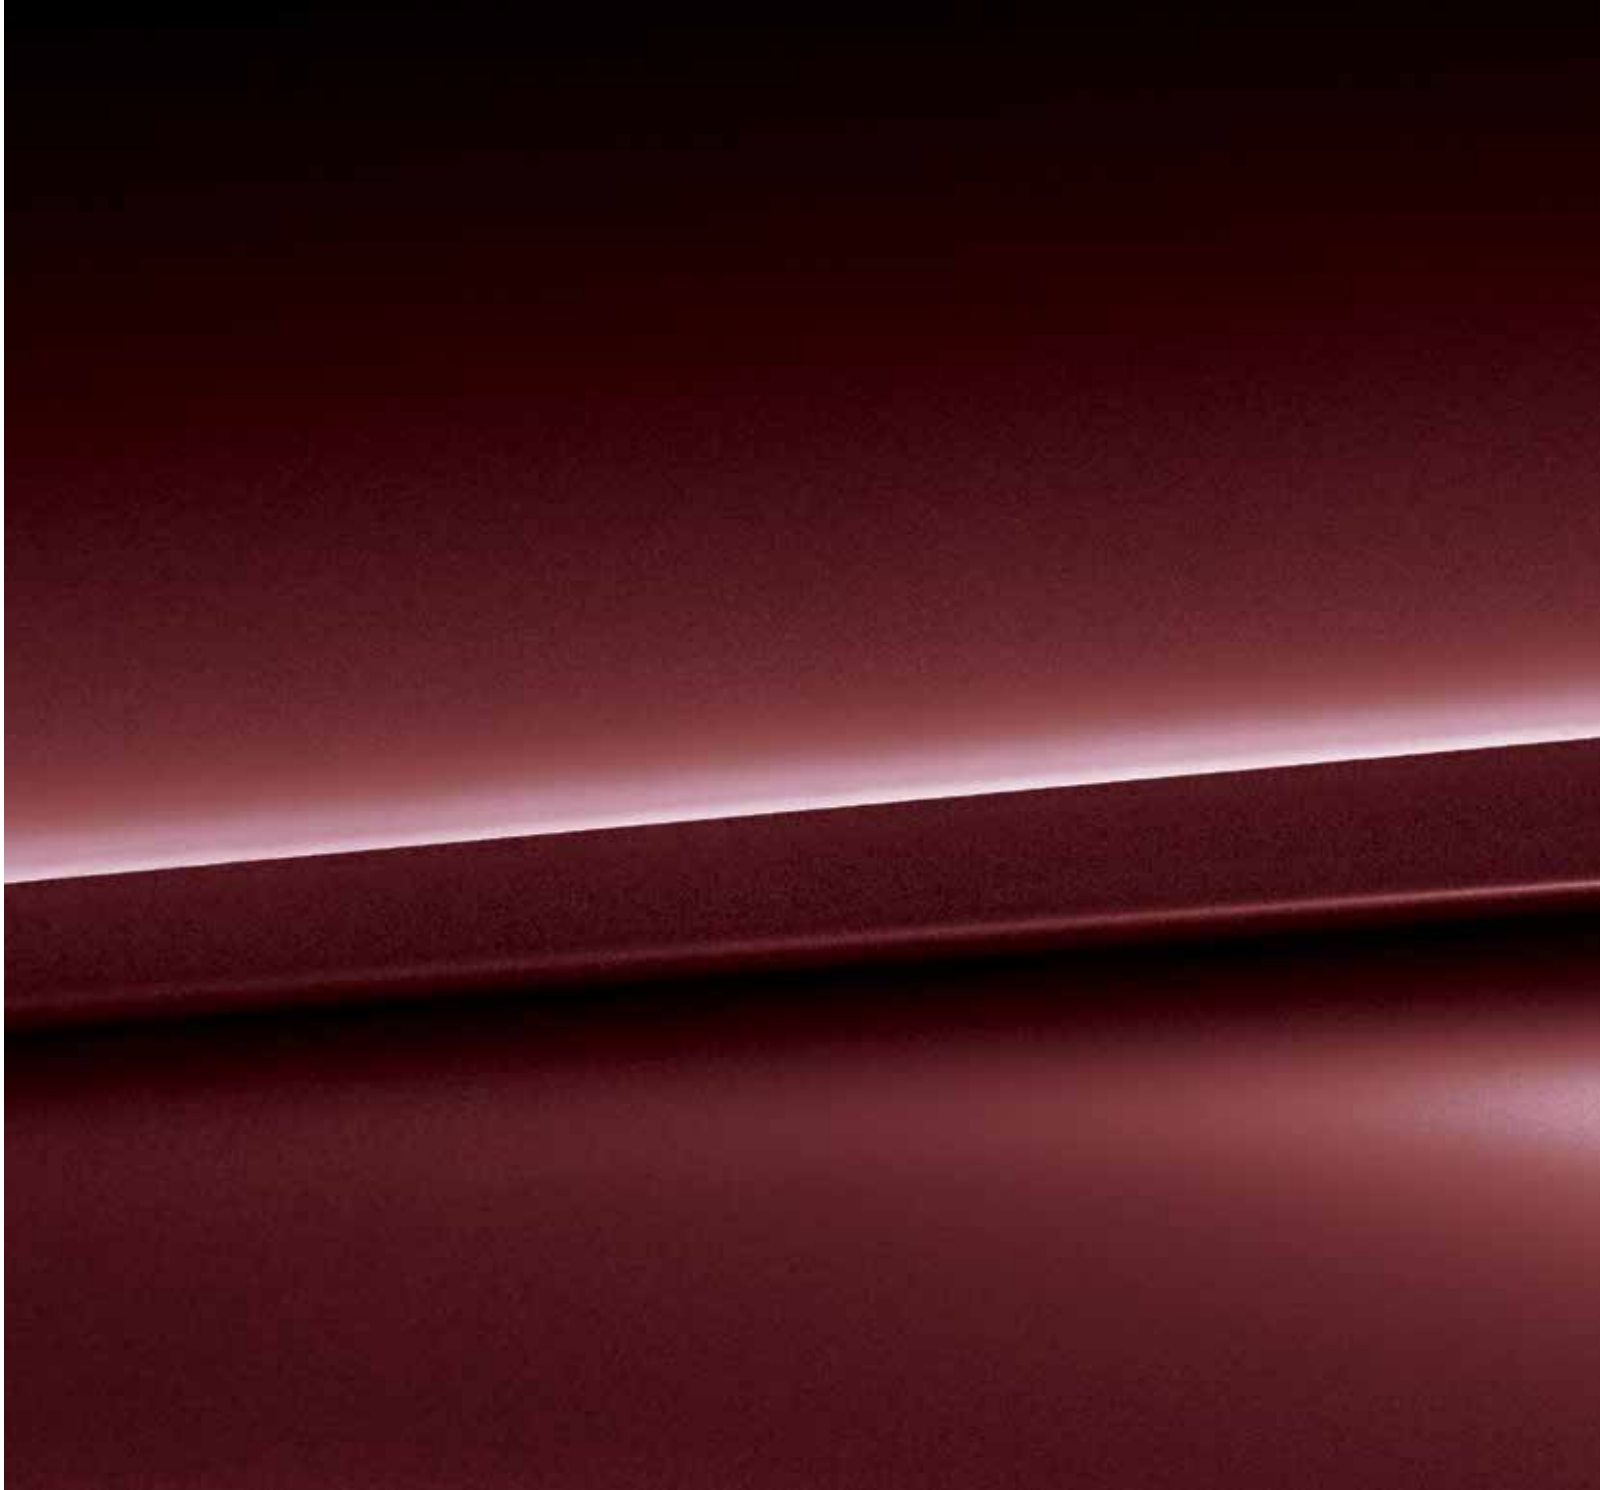
There are a number of ways to customise your car's interior with the Audi exclusive range. And if you'd like us to help you choose, we've put the most popular elements of the range together into one harmonious package – the Audi exclusive line.

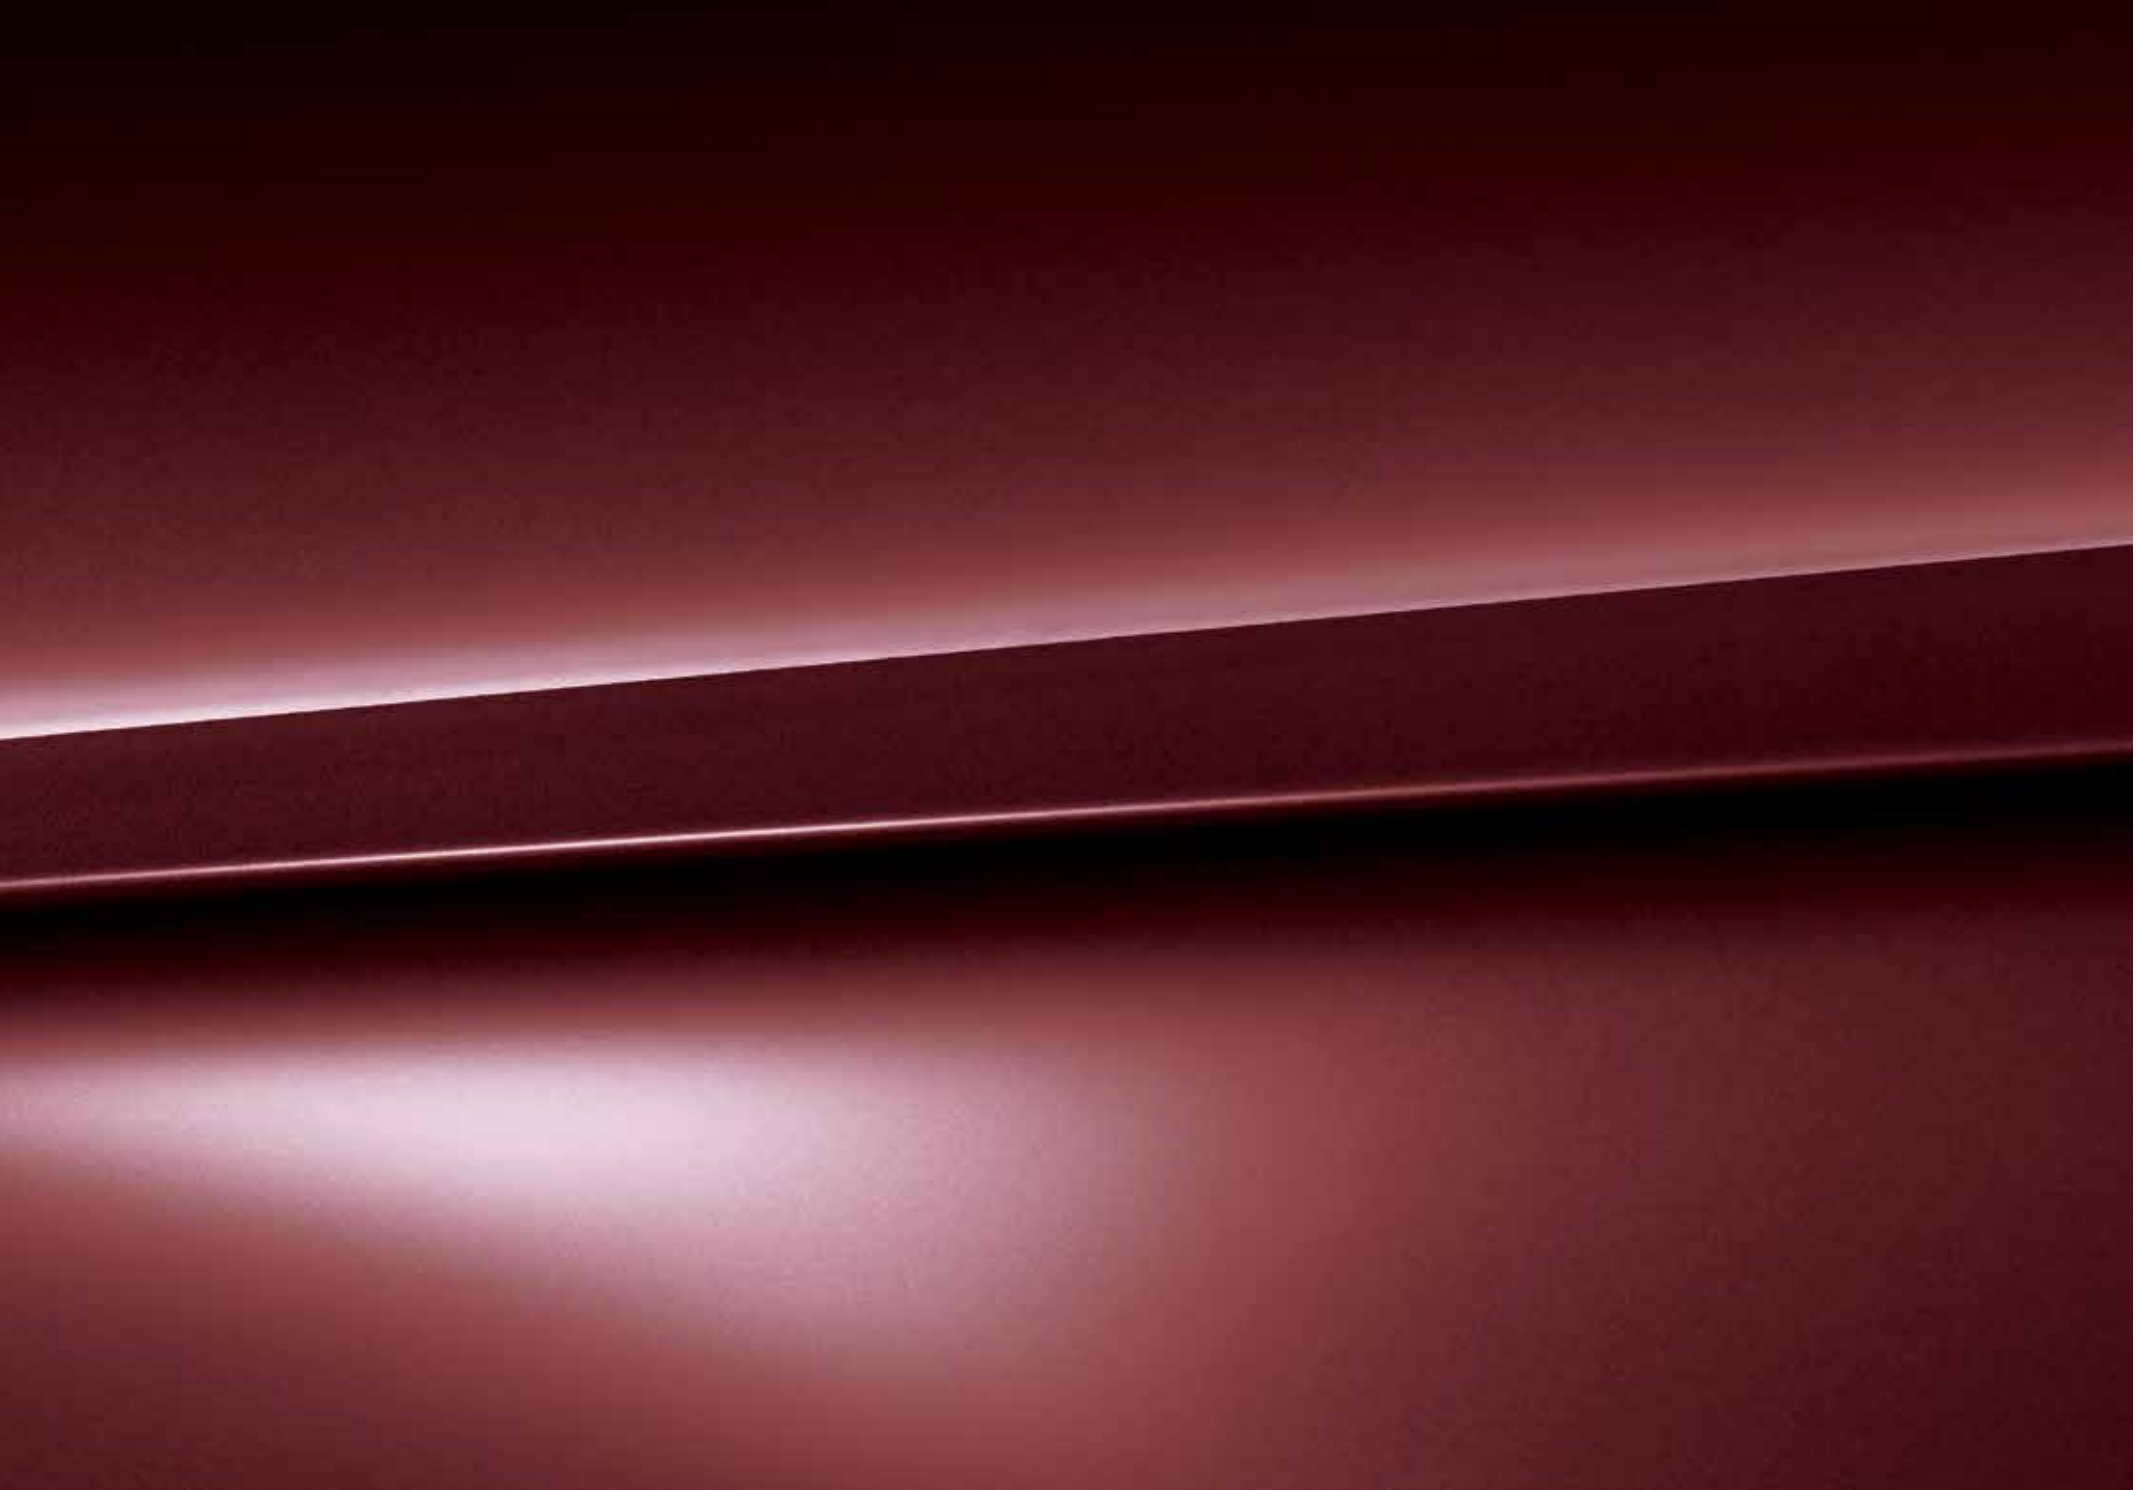
With experience spanning more than 20 years, our expert designers understand which elements work well together. From high-quality Fine Nappa leather seats to Audi exclusive door sill trims, every detail has been chosen to truly enhance your drive.



Paint

We believe that every part of your car should have a personal touch. Which is why you can choose from a wide range of paint colours and finishes, from standard shades to metallic and pearl effects. We can even mix a customised colour for you to create the perfect fit.





Paint

You can select one of the standard colours shown opposite or, for a different look, choose from a range of optional finishes.

*Not available on SQ5.

**On S line Plus trim the optional colours have no charge.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Visit your local Audi Centre for a more accurate colour swatch.

Options are subject to availability and may extend delivery.

RRP – Recommended Retail Price.

VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Upholstery

Audi exclusive

With Audi exclusive, you can specify your seats in Fine Nappa leather, Valcona leather or Valcona leather/ Alcantara in an array of different colours shown to the right.

Select just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we think you'll be extremely satisfied with the result.

Also available:

Alcantara colours: available in all the Audi exclusive colours shown, except for Crimson red, Jet grey and Sand beige. Alcantara equivalents are Chilli red, Amethyst grey, and Sesame beige respectively.

Please consult your Audi Centre for examples of Alcantara and carpet colours.

Options are subject to availability and may extend delivery.

Options

Every driver has different needs, which is why we have created some useful options to further enhance your car. For extra comfort, support, style or function, you can choose from a variety of additional features, tailoring everything from your infotainment and audio equipment to your wheels and lighting.

Wheels, tyres and suspension

Choose a set of specially-selected alloy wheels to subtly enhance the way your car looks and drives. And you can also specify Audi drive select, which allows you to change suspension and steering settings according to your driving style.

19” x 8J ‘5-arm Star’ design alloy wheels – **PRV**

19” x 8J ‘5-arm’ design alloy wheels, partly-polished – **PRL**

19” x 8J ‘5-arm off-road’ design alloy wheels – **PQ2**

19” x 8J ‘10-spoke’ design alloy wheels – **PQ5**

20” x 8.5J ‘5-segment-spoke’ design alloy wheels – **PQ6**

20” x 8.5J ‘5-twin-spoke off-road’ design alloy wheels – **PQ7***

20” x 8.5J ‘5-segment’ design alloy wheels in Titanium Optic finish – **PQK**

20” x 8.5J ‘10-Y-spoke’ design alloy wheels with 255/45 R20 tyres – **PQ1***

20” x 8.5J ‘5-arm’ design alloy wheels, partly-polished – **PR1**

21” x 8.5J ‘5-twin-spoke Star’ design alloy wheels in titanium look with a high-gloss finish – **PQ8***

Please note that choosing an optional wheel may affect the fuel consumption figures and the CO_2 emissions on your Q5. This may result in a change in the subsequent Vehicle Excise Duty payable. Please see pages 83, 84 and 89 for more details.

*Please note: this option includes a small extension to the wheel arches.

On S line trims the wheel arch is matt black, while on SE models it matches the colour of the contrasting bumpers.

Looking after your Audi

When you've chosen your ideal model, it's reassuring to know that it will remain in safe hands. That's why we've created products to protect your Audi, from extended warranties to Audi Complete – our comprehensive service and maintenance package. And there's also a range of Audi accessories and merchandise to choose from, enabling you to further enhance and safeguard your car.

Audi Complete

If you drive under 10,000 miles per annum your vehicle will be placed on a Fixed Inspection Service schedule. If your mileage tends to exceed 10,000 miles per annum it will be placed on the Flexible Service schedule.

Warranty

All new Audi models now come with a choice of three, four or five-year warranty.* What's more, if you decide to sell your Audi before the warranty expires, it will be fully transferred to the new owner. So, whichever length of warranty you choose, you can forget about unexpected repair bills and enjoy several years of carefree driving.

Options are subject to availability and may extend delivery.

• = Available
S = Standard

*Three-year warranty consists of a two-year unlimited-mileage warranty and a third year warranty with a 60,000-mile limitation. Four-year warranty consists of a two-year unlimited-mileage warranty and two further years' coverage with a 75,000-mile limitation. Five-year warranty consists of a two-year unlimited-mileage warranty and three further years' coverage with a 90,000-mile limitation.

**Only available before registration of your Q5. Please speak to your Audi Centre for full details.

RRP – Recommended Retail Price.

VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Audi Complete is our fixed-cost maintenance plan, which helps you keep your Audi in top condition and stay in control of your finances. For a simple monthly payment, you could cover your car's servicing, maintenance and, if you want, its tyres too.

So not only will you ensure your car runs smoothly, you'll also protect its future resale value. And because everything's covered by one competitive price, there's no need to go anywhere else.

Pricing is completely tailored to your vehicle and takes into consideration the options you have on your vehicle and your likely annual mileage and resultant service schedule. Please speak to your Audi Centre for a personalised quote for Audi Complete.

Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits your needs perfectly. That's why we've developed a whole range of accessories to enhance your Audi Q5, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standards. They're all available exclusively from Audi.

To find out more, just visit **audi.co.uk/accessories** or contact your local Audi Centre.

Warranty

All the accessories available on the Audi Q5 are covered by a three-year warranty,* if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.*

*Excluding Road Angel products. Audi Accessories warranty terms and conditions can be found at audi.co.uk

Merchandise

From the enthusiasts' motorsport collection to the sophisticated Audi collection, there's a wide variety of adults' and children's clothing, lifestyle accessories and collectables, all of which bear the Audi name.

Please speak to a member of our team at your local Audi Centre to see the full Audi collection and to place an order. A selection of Audi merchandise is also available to buy from **audi.co.uk/merchandise**

The Audi Difference

The experts in Vorsprung durch Technik

Our Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle.

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you enhance the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

We offer two different schedules: the Fixed Inspection Service and the Flexible Service schedule. The conventional Fixed Inspection Service schedule has fixed intervals for the Oil-change Service and Inspection Service, which are determined by time and distance.

With the Flexible Service schedule, the Inspection Service intervals are also fixed but the Oil-change Service intervals are variable. Sensors take account of driving style and conditions to determine when the Oil-change Service is required and the driver is informed via the on-board service interval display.

The choice of Service Schedule will depend on journey type and mileage as well as individual driving style and conditions. The table to the right can be used for guidance but your Audi Centre will help you to determine the most suitable Service schedule for you based on your individual circumstances and preferences.

Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum. Mainly city/town centre driving. Short journeys.
	Service Intervals:
Oil-change Service	Fixed to every 9,000† miles/1 year
Inspection Service	Fixed to every 19,000† miles/2 years

Flexible Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum. Motorway and main road driving. Mainly longer distance journeys. Constant speeds.
	Service Intervals:
Oil-change Service	Variable to a maximum of every 19,000† miles/2 years
Inspection Service	Fixed to every 19,000† miles/2 years

When a vehicle is frequently used in the following conditions, we recommend a Fixed Inspection Service Schedule, regardless of mileage:

Uneconomical driving styles, e.g. heavy acceleration and braking, constant use of high revs

High engine-loading conditions, e.g. frequent towing and hill climbs

†As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.**

No hidden costs

We believe strongly in transparency when it comes to our prices. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

All part of the service

Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK, provided by Automobile Association Insurance Services Limited. Also included is roadside assistance throughout Europe, managed by Automobile Association Insurance Services Limited.

For further information and terms and conditions please visit audi.co.uk

*Subject to availability.

**Excludes wear and tear.

Off-road capabilities of the Audi Q5

The Audi Q5 excels both on the road and off it, thanks to its impressive all-terrain abilities. And these attributes are reinforced by special technologies, such as hill descent assist, ABS with automatic off-road detection and an Electronic Stability Programme that includes an off-road mode.

Hill descent assist

Available as standard in the Audi Q5, hill descent assist automatically maintains the speed set by the driver on steep descents and on any surface (up to 19mph). This makes negotiating descents far more straightforward and substantially enhances stability. Hill descent assist is activated and deactivated using a separate button.

ESP off-road mode

The Electronic Stability Programme in the Audi Q5 features a special off-road mode which can be controlled by a switch. This reprograms the ESP system, traction control and anti-lock braking system to adapt them to the driving conditions encountered in off-road terrain, such as sand, gravel or mud. This leads to good traction in all conditions, a more exciting drive and great handling even on unpredictable surfaces.

^The addition of AdBlue technology ensures compliance with EU5 emissions standards. The AdBlue tank may require refilling between services.

[1]The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

[2]Fuel consumption and CO_2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.dft.gov.uk/vca

[3]Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

[4]The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

Audi Q5 technical data

Depending upon your chosen Q5 wheel size, different efficiency figures for CO_2 emissions and fuel consumption will apply (based on EU directive no. 715/2007 effective from 01/09/14). This table is a quick reference guide to assist you in finding the correct values based on wheel sizes and chosen engine.

	21" wheels	42.8 (6.6)

*Electronically Limited

**Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/abigroupratings for details.

[1]The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

[2]Fuel consumption and CO_2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.dft.gov.uk/vca

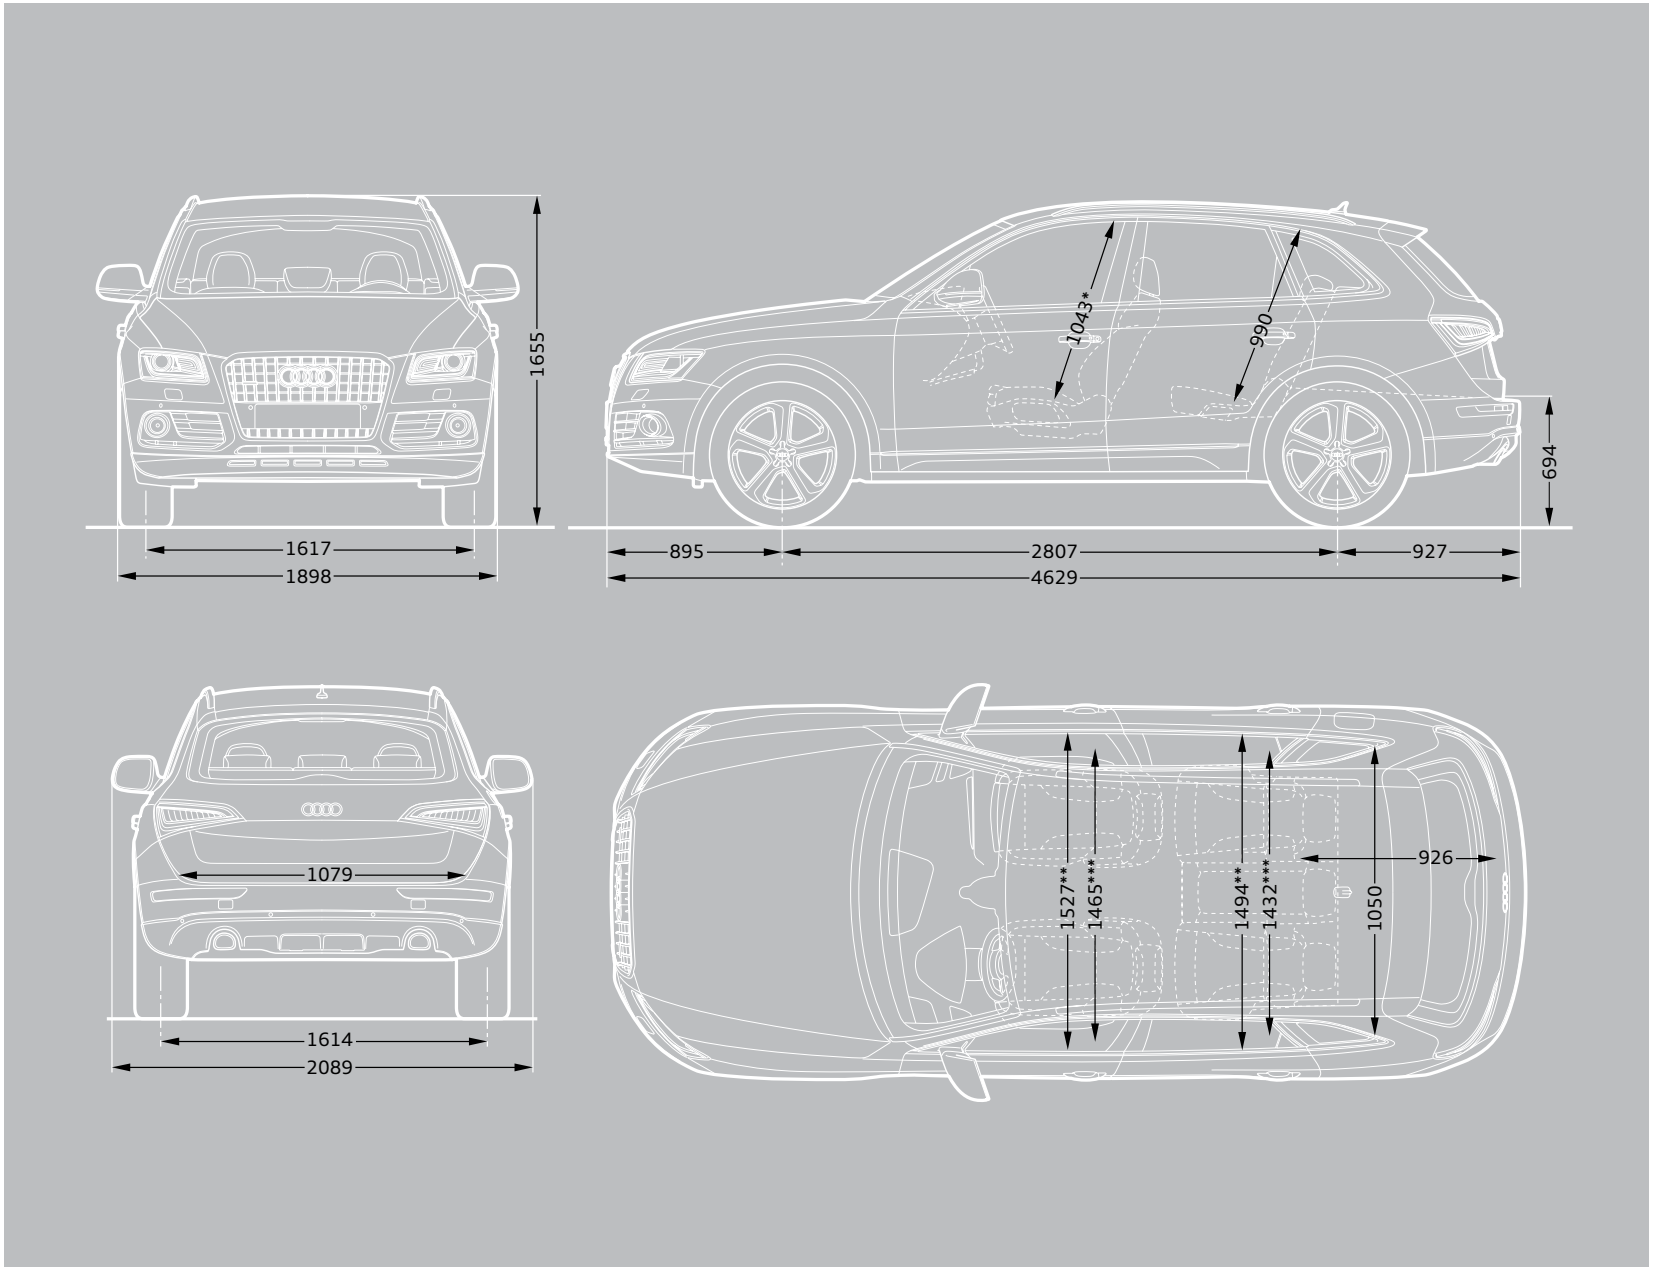
[3]Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

[4]The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

IN SQ 5050

Audi Q5 dimensions

The technical drawings opposite show the exact dimensions of the Audi Q5, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.



Dimensions measured with vehicle at unladen weight.

Turning circle approx 11.7m.

Dimensions in millimetres.

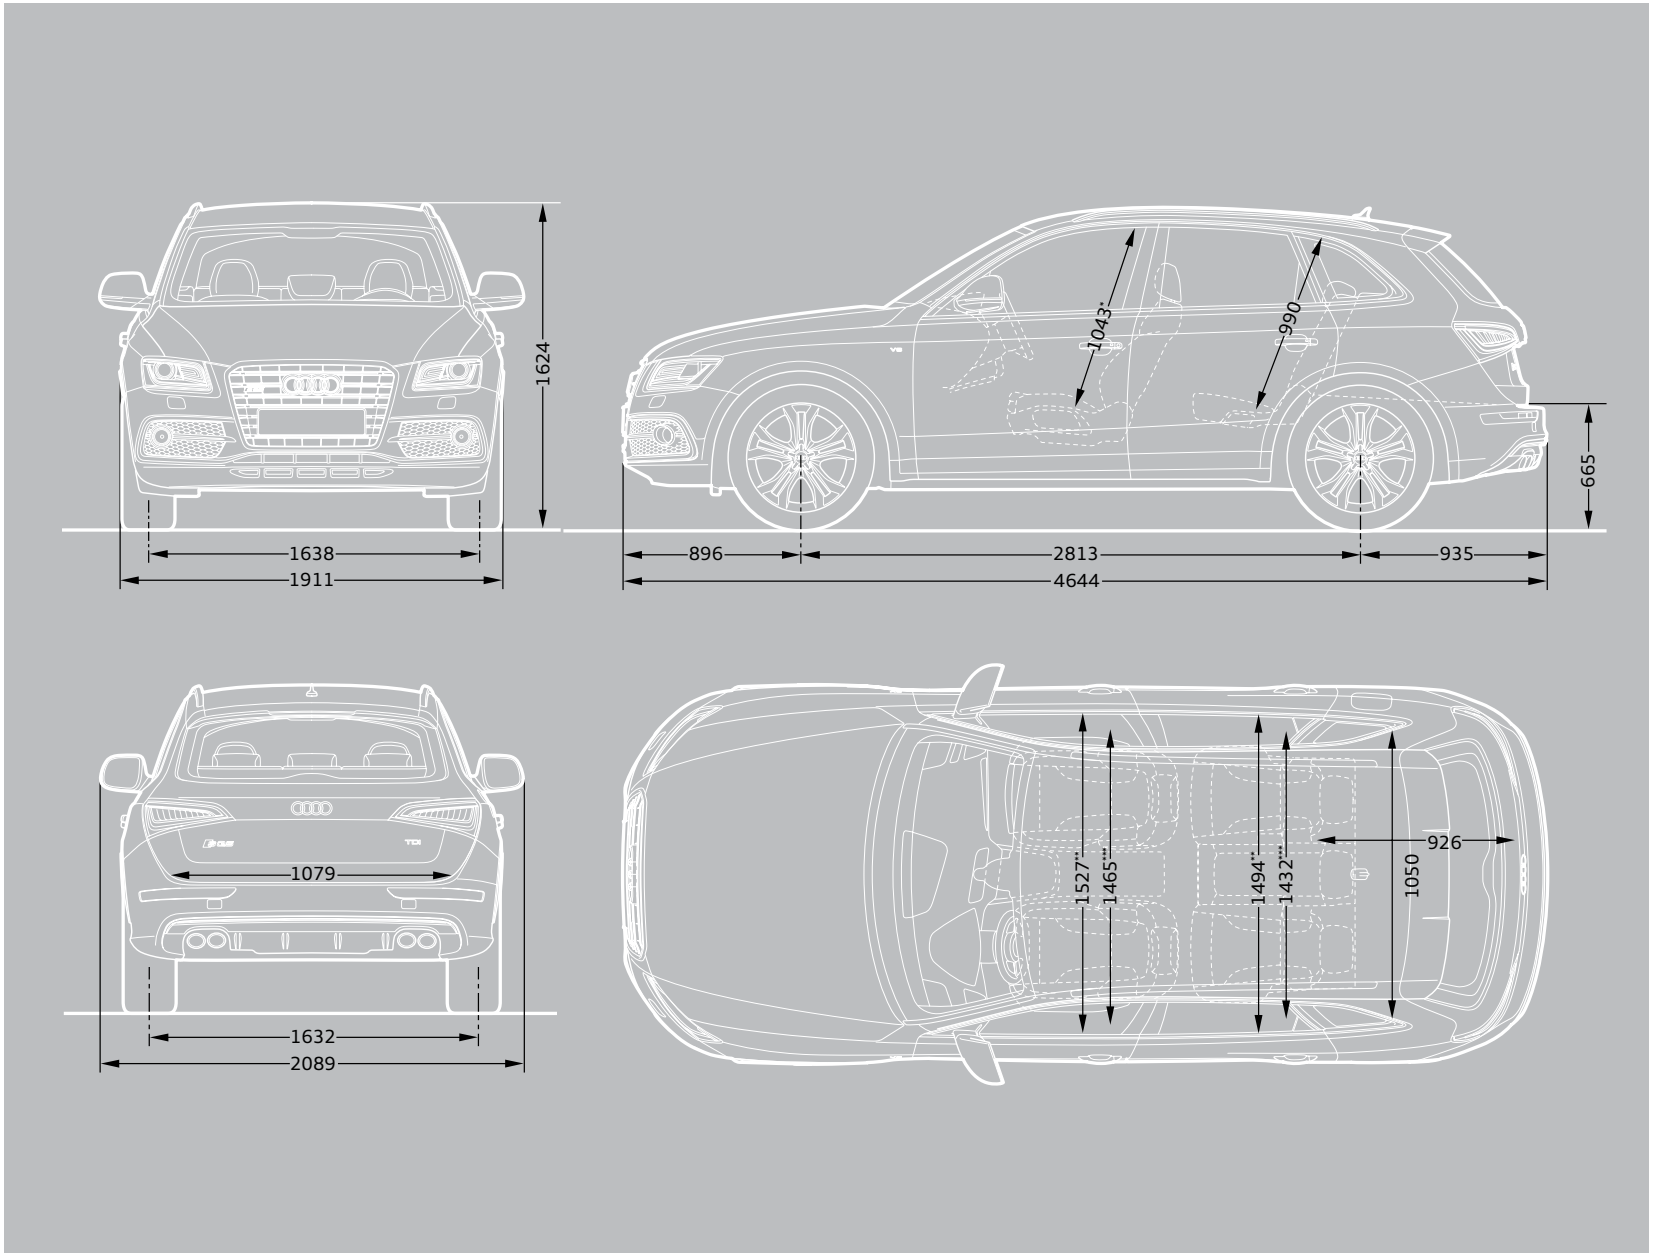
*Maximum headroom.

**Elbow width room.

***Shoulder width room.

Audi SQ5 dimensions

The technical drawings opposite show the exact dimensions of the Audi SQ5, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.



Dimensions measured with vehicle at unladen weight.

Turning circle approx 11.7m.

Dimensions in millimetres.

*Maximum headroom.

**Elbow width room.

***Shoulder width room.

Pricing and Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we want to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20%, but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£504.99
Number plate	£20.00
VAT	£105.01
Total	£630.00

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call 01908 548 356.

Additional information

CO_2 data and information

CO_2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO_2) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£110.00
E – 131 to 140g/km	£130.00	£130.00
F – 141 to 150g/km	£145.00	£145.00
G – 151 to 165g/km	£180.00	£180.00
H – 166 to 175g/km	£295.00	£205.00
I – 176 to 185g/km	£350.00	£225.00
J – 186 to 200g/km	£490.00	£265.00
K – 201 to 225g/km	£640.00	£290.00
L – 226 to 255g/km	£870.00	£490.00
M – over 255g/km	£1,100.00	£505.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate.
